### **Beginning Jan. 28:**

**ADDS:** need change of registration form signed first by the instructor, then by Lynne or Megan, and finally taken to service center.

**DROPS:** can be done through MyUI, but you will need to notify Lynne or Megan to authorize the drop, as they do not receive automatic notice. International students may also need ISSS approval, which can take up to 48 hours.

**ONLINE COURSES:** Drops and adds for online courses, can be done by email. Please ask an advisor for instructions on this process.

Many instructors may not add students after the end of the second week of classes. It is their discretion.

**PROBATION:** If you are on probation, consider adding the course CLAS: 1800, which helps you with information and resources to successfully get off probation. For information contact, Lynne or Megan.

Also, students on probation need to make appointments with the Dean's office. Sign up for appointments will begin the start of the third week of classes. Refer to the letter they sent you for information. It is also highly recommended that if you are on probation, you set up an appointment to meet with Lynne or Megan in the first two weeks of classes.
