Studio Art faculty who support this proposal (from the discipline you are requesting studio access)

Please submit this form via email to the relevant Studio Specialist and Program Head. You will receive email confirmation from the Specialist regarding the details of access if approved. Any deviation from agreed upon terms of access may result in loss of studio access.

If unmonitored access is approved, please be aware of the following studio access policies

- All users of the studio are responsible for never working alone where hazards are present. It is essential that you work in the presence of a “buddy.” A “buddy” is a qualified (documented/authorized) user that has access to the studio. A “buddy” must be present in the studio or on the floor and in communication with you.
 - You should use the studio with respect and clean up all messes and put back all supplies before leaving.
 - Failure to comply with the buddy system may result in disciplinary action, including permanent suspension from the facility in accordance with the SAAH Studio Access Policy.
 - If you are issued a key, you are responsible for that key. Do not lend the key or grant access to others. Access is limited to approved spaces only as noted on access agreement.
