eART ADVISING Nov 4 Drop Deadline

DEADLINES:

Nov. 4, before 4pm- last day to drop semester long undergrad classes. If you are submitting an online drop request form to advisors, you must send them an email, notifying them of the request. We do not receive automatic notifications.

Nov. 24-Dec. 1- Thanksgiving Break

EARLY REGISTRATION-

Nov. 11- Early registration for Spring and summer classes begins. Check your MyUI for dates and times.

Students who are listed as second or third year students on your MyUI, must have an advising meeting with Lynne or Megan to be authorized to register, if Art or Art History is your primary major. You will not be authorized without a meeting.

Please check your MyUI to make sure that you do not have unsigned student agreements that will also keep you from registering. You can take care of that on your MyUI account. Also check for U-Bill, Health, Transcripts and other registration holds on your MyUI.

Art Minors- you will be able to begin registering for studio art classes on the last day of early registration, when the restriction is changed to majors/minors.

BFA CLEARANCE-

BFA Clearances are taking place the week of Nov. 4-8. Check with your program head, and if you qualify for clearance, please see Lynne or Megan ASAP to get signed up for a time and date and to complete paperwork.

BFA GALLERIES-

After clearance, if you pass and are planning on graduating in Spring 2020, please contact Sara-pettit@uiowa.edu to find out about signing up for a gallery for your BFA show.

INFOSESSIONS: If you are interested in attending an info session on Art Therapy in November or December, please contact Lynne. Diane Tonkyn has agreed to come speak about a career in Art Therapy on a Tues or Friday and I would like to see what works for most people.

CAREER CENTER-

Want to work on finding a job and internship for next semester or the summer? Make an appointment to meet with our art career counselors in the Pomerantz Career Center. You can book an appointment with Garry Klein or Sauvic Goswami on your MyUI.
**TUTORING**-Struggling with any courses? You should first contact your instructor with your concerns. Their office hours can be found in your syllabus. You can also find some more resources here: [https://clas.uiowa.edu/students/tutoring](https://clas.uiowa.edu/students/tutoring)

**Feeling stressed and want some help?** Not getting adequate sleep? Just not feeling well? Please let us know. We are here to help you. Below are some on campus resources too. [https://counseling.uiowa.edu/services/counseling/](https://counseling.uiowa.edu/services/counseling/)
