## HONORS IN THE MAJOR:

Students doing Honors in the Major, should have the course registered, and be completing the HiM application and submitting the Thesis agreement paperwork by mid Sept.

## BFAs:

Students who have completed Basic Drawing and Design Fundamentals, and an intro in a BFA and who are in or have completed two upper levels in the discipline they seek a BFA in, may be eligible to sit for the BFA clearance this November. Please set up an appointment with Lynne or Megan to review your eligibility and to complete the paperwork and online registration.

BFA students graduating in December, should have registered for ARTS: 4195 and a gallery time for your show. If you haven't done this, please contact Lynne or Megan right away.

## STUDENT ORGANIZATIONS:

Student organizations are a great way to meet new people, further your skills in your major or other interest and network for future internships and jobs. There are many student orgs listed under: The Center for student involvement and leadership. Here are some through the SAAH.
