BFA GALLERY SIGN UPS:

If you plan on graduating with your BFA in December of 2020, as part of the requirement for graduation you must have an exhibition during your last semester (fall 2020). Please notify me by **8am on Monday, August 3rd** if you intend to graduate with your BFA in December. If you are unsure about your BFA or graduation status, please reach out to your academic advisor immediately. If you are a BFA student returning this fall who was scheduled for a show last spring and who did not get the chance to install, you are also eligible for a fall show. Unfortunately, we will not be allowing receptions for shows due to Covid-19 social distancing regulations.

Once I have the names of everyone planning to graduate we will conduct a lottery for gallery selections, and you will be notified of a time to choose your gallery. The following galleries are options for BFA exhibitions, and more information about each one can be found on the [SAAH website](#):

E148 VAB. E450 VAB. W540 VAB. Contact sara-pettit@uiowa.edu for more information.

ISSS-

Because each international student is in a very unique situation, it is important for students to contact International Student and Scholar Services (ISSS), with any questions. Because ISSS is extremely busy at this time, please be patient.

- Students have been receiving emails from ISSS and have been invited to a live webinar this Friday.
- If you missed this correspondence, please check your email for the link to the webinar and to visit the website below: <https://international.uiowa.edu/covid-19-frequently-asked-questions-iss>
