While we are all sorry to see the summer fade, in the SAAH we are looking forward to seeing you again.

A few things to make your transition back, easier:

PORTFOLIO REVIEW: Portfolio Review is only for those students who took a college level studio art course outside of the University of Iowa and wish to get scheduled for a course content review to see if it will satisfy a requirement of the major. This is primarily for transfer students and students bringing in courses from study abroad. Contact Molly to set up a time for your review on Friday, August 21 in Studio Art.

Here is a link to portfolio review:

ADD/DROP: The first week of classes you will add and drop classes online through your ISIS student page. The beginning of the second week you will need to get signatures from the instructor and Molly or Lynne to drop and add. Molly is located in 1106 Studio Art and Lynne is in 122 ABW.

ART MINORS: Who were unable to sign up for basic drawing can now do that.

PRE REQUISITES: All students are responsible for making sure they have met the pre requisites for the courses they have signed up for. You can be administratively dropped from courses for which you do not meet the pre requisite courses.

COURSE CLOSURE: CLAS has dropped two of our courses this week, Intro to Metals and Web Design 2. All students involved have been sent notification. Web Design 2 will be offered in the spring. It will be taught by new Graphic Design Faculty, Jeremy Swanston.

PROBATION- If you are returning on probation, please make sure to set up an appointment with the Academic Program Advisors, 335-2633, the third week of classes. This is now mandatory. Please set up two meetings with either Molly or Lynne during the semester so we can help you have a successful semester.

BFA GALLERY- For BFA students graduating in the Fall, you will receive information about signing up for your BFA show the first week of classes. Watch for an email from Elizabeth Cecil and respond promptly.

DEGREE AUDITS- Check your degree audit before the semester starts to make sure everything is in order. It is far easier to get things straightened out at the beginning of the semester.

FALL GRADUATING SENIORS- Please make an appointment to meet with Lynne or Molly at the beginning of the semester to make sure that everything is in order for graduation. If you have a UI GPA of 3.33 or greater and a 3.5 GPA or greater in your major, ask for information on graduating with Departmental Honors. We will be holding an Honors Infosession the second week of classes in SA. Watch the resources for students –infosession tab.

INFOSESSIONS: Need to learn how to network? Want to know more about careers in Art Therapy? Graphic Design? Panicking because you don’t know where to start to set up a freelance business? Find when and where these infosessions will be by going to:

SAAH website- resource tab- for students tab- infosessions tab. Get the dates on your calendar. They will be finalized just before you get here.
